

ST. ANDREW'S
COLLEGE
Cambridge

African Peers 2022

Since 1976, St Andrew's College has offered students from all over the world the opportunity to experience a Cambridge Education. We offer Pre A-Level, A-Level courses along with 12 University Foundation course pathways.

It is our aim to help students to reach their full potential by offering an environment that makes them feel comfortable, relaxed and cared for.

It is our belief that this will help them to achieve excellent academic results with the support of our dedicated and experienced staff.

OUR PURPOSE

To offer students from all over the world the opportunity to experience a Cambridge education.

OUR AIM

We offer a safe and caring environment where our aim is to unlock the academic and personal potential of each student, whatever their ability, and to encourage them to realise their ambitions.

WE OFFER

Pre A-Level, A-Level & University Foundation Courses
A positive and enriching environment
Encouragement in achieving individual ambitions
A peaceful and secure place to study

WHY ST ANDREW'S?

Central Cambridge location surrounded by the
world-famous University colleges

Top quality teaching staff, some of whom
have taught or studied at Oxbridge

An international and friendly environment
over 15 different nationalities each year

Small class sizes, average six to seven students per class

Weekly personal tutor support

Carefully monitored student progress

Scholarship opportunities available

Oxbridge/G5 programme with Cambridge University tutors

Extensive UCAS support and university preparation

Excellent Pastoral Care

Outstanding family-style boarding accommodation

University Course	Architecture

DHIADDINE

TUNISIA

Course studied at St Andrew's	Science Foundation
Results	Distinction
Graduated	2020
University Destination	University of Wolverhampton
University Course	Pharmacology

PRE A-LEVEL

- An alternative to GCSEs providing the opportunity to significantly improve your level of English whilst studying academic subjects
- Small classes
- Weekly personal tutor session
- 20 hours of English tuition including English for Academic Purposes
- Five hours of maths tuition per week
- Five hours of tuition in your chosen pathway (Business, Art or Science)
- Choice of September or January intake

A-LEVEL

- The most accepted route to UK universities
- Explore three or four subjects in-depth over two-year or 18-month period
- Ideal for students with academic and inquisitive minds who enjoy studying and perform well in exams
- Accepted by all universities worldwide
- Wider choice of subject options
- Accepted qualification for Medicine
- Excellent standard in preparation for university
- Small classes - six or seven students per group
- Individual attention
- Weekly tutor session
- UCAS support sessions
- Oxbridge and G5 programme

FOUNDATION COURSES

- A fast and cost-effective route to university for students aged over 16.5 years.
- 10 months (September start) or 6 months (January start) to complete.
- Designed with international students in mind. There is a higher pass rate for international students on foundation courses than for those doing A-Levels.
- IELTS preparation in-built to ensure students meet IELTS entry requirements for their chosen university.
- Not tied to a specific university. In 2020 87% of our students were offered places at Russell Group universities and 100% of our students gained places at a UK university.
- Over 80% of the Russell group universities accept foundation courses.
- Smaller class sizes to ensure individual attention to maximise results rather than the Large-scale university foundation courses where students often get lost.
- Wide range of subject options.
- A family-style boarding school environment with excellent academic support and pastoral care – ideal for those away from home for the first time.
- Weekly personal tutor support.
- University preparation classes with extensive UCAS support and advice on the range of university options available from experienced personal tutors.
- Accredited by NCFE and internally assessed.
- Students who may not have succeeded at A-Levels are often successful on a Foundation course.
